Benefits Overview

WHOLE LIFE BENEFIT (Employee, Spouse, Child and Grandchild (see eligibility) coverage available)

The Whole Life Benefit pays proceeds upon the insured's death. Proceeds are defined as the total of the benefits payable upon the insured's death. Proceeds will be the sum of the amount of insurance in force, any insurance on the life of the insured provided by benefit riders, any premium paid that applies to a period of time beyond the certificate month in which the insured dies, less any certificate loan and loan interest, and any unpaid premium, except the first premium, that applies to a period before and including the certificate month in which the insured dies.

ACCELERATED BENEFIT RIDER (Employee and Spouse only)

The Accelerated Benefit Rider pays a lump sum benefit up to one-half of the eligible death benefit when the insured is diagnosed with one or more Qualifying Life Events.

The insured may choose the amount of the Accelerated Benefit, subject to these limitations: The maximum Accelerated Benefit is 50% of the eligible death benefit subject to state limitations. Refer to your certificate for benefit details. The insured may also choose to take the Accelerated Benefit as a monthly benefit. See certificate for details.

ACCIDENTAL DEATH BENEFIT RIDER (Employee and Spouse only)

The Accidental Death Benefit Rider provides an additional benefit equal to the face amount if the insured dies within 90 days* of direct accidental bodily injuries. The maximum coverage available under this rider is \$300,000. Employees and spouses, ages 18-60, are issued this benefit, which terminates at age 65.

WAIVER OF PREMIUM BENEFIT RIDER (Employee only)

The Waiver of Premium Benefit Rider waives entire premium amount for employee coverage after the insured has been totally disabled due to bodily injury or disease for 4 consecutive months and continues throughout the duration of the disability. Any recurrence of a prior disability will be covered, provided the prior disability continued for at least 6 consecutive months, began within 30 days of recovery, and was due to the same or related causes. The Waiver of Premium Benefit Rider is also available for loss of sight or loss of limbs even though the employee may be able to engage in an occupation. Only employees, ages 18-55, are eligible to be issued this benefit, which terminates at age 60.

CHILDREN'S TERM INSURANCE RIDER (Children only)

The Children's Term Rider pays a benefit upon receipt of due proof of death of an insured child if coverage is in force, it is before the expiration date, and it is before the rider anniversary following the insured child's 26th birthday. The children's term insurance may be converted to a whole life plan without evidence of insurability subject to the maximum shown in the certificate. Refer to your certificate for details.

LIMITATIONS AND EXCLUSIONS

WHOLE LIFE EXCLUSIONS

If an insured takes his own life within two years (in North Dakota, one year) from the date of issue of his certificate, our liability will be limited to all premiums paid, without interest, less any certificate loan and loan interest.

ACCELERATED BENEFIT RIDER EXCLUSIONS

We will not pay the Accelerated Benefit until we receive proof of the insured's qualifying event and the following conditions are met:

- We have received the owner's written request for an Accelerated Benefit;
- We have received written consent from all irrevocable beneficiaries waiving their rights to any death benefit required to pay off the lien at the time of death. At our discretion, we may require written consent from a spouse of the insured, or other beneficiaries, or any other person whom we believe to have a potential interest in the proceeds of the certificate; and
- We have received an assignment form making us the assignee of the certificate for the amount of the lien.

The rider is not intended to provide health, nursing, home or long term care insurance. Benefit payments may affect the insured's eligibility to receive Medicaid and other government benefits or entitlements.

Receipt of accelerated benefits may be taxable. The insured should consult with his personal tax advisor. This benefit is subject to an administrative expense charge not to exceed \$250 (\$100 in Florida).

 - In Connecticut: this exclusion is not applicable
- If the qualifying event results from intentionally self-inflicted injuries;
 - In Connecticut: this exclusion is not applicable

- If any part of the Death Benefit under the certificate is contestable;
- If the certificate is not in force or the Death Benefit under the certificate is not payable for any reason.
- If the amount of the Accelerated Benefit, plus the amount of all Accelerated Benefits on the insured from all certificates issued by us, exceeds \$250,000; or
- If there has already been an Accelerated Benefit paid on the certificate.
