The family deductible and out-of-pocket maximum are embedded, meaning the cost shares of one family member will be applied to both per member deductible and per member out-of-pocket maximum; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket maximum. No one member will pay more than the per member deductible or per member out-of-pocket maximum. Your copays, coinsurance and deductible count toward your out of pocket amount(s).
